IP, IT & Media Silk of the Year – Legal 500 UK Bar Awards 2017

LEGAL 500 2020, IP, LEADING SILKS:

'Tom is extremely bright, has an excellent ability to get to the nub of a case and is a skilful advocate, making points clearly and powerfully but with refreshing brevity. He has also carved out a really strong practice in Supreme Court appeals.'

CHAMBERS & PARTNERS 2020, IP, BAND 1:

A very popular silk recommended for his calm demeanour, excellent client service and strong cross-examination skills. He is noted for his handling of patent and trade mark litigation, including oppositions and infringement claims, and is active in appellate work at the very cutting edge of the law. He has notable experience acting for life sciences companies in supplementary protection certificate disputes.

Strengths: "A quiet advocate but one the court listens to." "The quality of everything he does is exceptional." "His advocacy is excellent because, no matter the argument, he makes it so clear and easy for the judges that he always stands out."

WORLD TRADEMARK REVIEW – TOP TRADEMARK PROFESSIONALS 2017:

"...impresses everyone who crosses his path. "He is good for unusual trademark cases, especially those involving extended passing off and geographical indications.""
